## OCER 2026 Equine Nomination Form

To nominate an equine for an OCER award, all equines must be recorded with the OCER secretary. In addition, if it is a breed award requiring registration, a copy of the equine's papers must be submitted with the nomination form. The nomination form is only submitted once and does not require annual renewal.

If you do not own the equine you are competing on, the owner must be a member of OCER and the equine must be nominated to accrue points.

## **OCER Breed Award Categories**

Breed awards are sponsored by club members and not funded by OCER. The award sponsor decides on the requirements for that award. These awards are subject to change yearly and their availability is on a year-to-year basis. Equines may be nominated for multiple award categories if they fit the criteria set out by the sponsor. If you have a registered horse, please provide a one-time copy of their registration papers when submitting your membership information. Contact a Board Member if you wish to sponsor an award.
